If you do not agree to these Ubisoft Wallet Terms, you must not activate the Ubisoft Wallet as a payment method in your Account. These Ubisoft Wallet Terms are incorporated by reference to the [Ubisoft Terms of Use](#) (“Terms of Use”), the [Terms of Sale](#) and the [Ubisoft Privacy Policy](#). All capitalized terms used but not defined herein shall have the meaning given to them in the Terms of Use.

You will first be asked to log in to or create an Account. Please refer to our Terms of Use to know more about Account creation. You can only associate one Ubisoft Wallet with your Account.

4. What should you know regarding crediting funds to your Ubisoft Wallet?

You may credit funds to your Ubisoft Wallet in a various set of ways detailed in our dedicated FAQs on <https://www.ubisoft.com/help?article=000079594> and by following the instructions provided to you. You will need to provide a credit card or other payment methods approved by us, which may differ depending on your country of residence and change, from time to time, at our sole discretion. You are responsible for verifying that the proper amount of funds has been added to your Ubisoft Wallet Balance.

If your Ubisoft Wallet Balance is insufficient if you choose to use the Wallet as your payment method, you will be asked to credit funds to your Ubisoft Wallet or to select an additional method of payment to complete your order. There may be a delay between the time you credit funds to your Ubisoft Wallet and your ability to use them to purchase products. Please let us know through <https://www.ubisoft.com/help> if you think your Ubisoft Wallet Balance is incorrect or if you face any other issue.

Ubisoft Wallet Funds will not expire.

Certain restrictions may apply when crediting funds to your Ubisoft Wallet. For instance, we may limit the maximum amount of funds:

- you may have on your Ubisoft Wallet;

- you may add per day/month on such Ubisoft Wallet; and/or
- you may spend using your Ubisoft Wallet over certain periods of time.

6. What is the currency associated with your Ubisoft Wallet and can you change it?

Upon creation of your Ubisoft Wallet, the currency associated with it (the “**Wallet Currency**”) will be based on your current location. If you wish to change your Wallet Currency, you may request a change by contacting us through <https://www.ubisoft.com/help> and following the instructions provided to you. Please note that such a change is not automatic, may take time to process, and that we reserve the right to deny it, at our sole discretion. We will verify the request (which may take several days) and may ask you for additional information. If your request is granted, your Ubisoft Wallet will be terminated, and you will need to create a new Ubisoft Wallet after such change is effective. Please always ensure that your Ubisoft Wallet Balance is cleared (e.g., the balance is zero) prior to requesting a change of Wallet Currency, as any remaining Ubisoft Wallet Balance will be automatically lost when your Ubisoft Wallet is terminated, and is non-refundable, unless required by law.

You are responsible for verifying that the products you wish to purchase are purchasable using your Ubisoft Wallet Balance, before crediting funds to your Ubisoft Wallet.

If your Ubisoft Wallet Balance is insufficient to complete a transaction, you will be asked to either credit funds to your Ubisoft Wallet or choose an alternative payment method to finalize your order.

8. What about refunds?

8.1 Refund of your Ubisoft Wallet Balance

When you credit Ubisoft Wallet Funds on your Ubisoft Wallet, you have a right to change your mind within 14 days following your order. Please note that you will lose such right once you start using your added Ubisoft Wallet Funds (in whole or in part) to purchase products. Apart from this right to change your mind and unless otherwise required by applicable law, your Ubisoft Wallet Funds are non-refundable.

Ubisoft Wallet Rewards **are never refundable**. In certain situations, if you are refunded for a product purchased using Ubisoft Wallet Rewards, and the Ubisoft Wallet Rewards have not expired as of the date of the refund, we may add such Ubisoft Wallet Rewards back to your Account. Please note that if the expiration date has passed at the time the refund is granted, the Ubisoft Wallet Rewards will not be added back to your Account.

8.2 Refund of products purchased

You may be entitled to a refund for purchases made on our stores with your Ubisoft Wallet, based on our Terms of Use and/or Terms of Sale:

- If such purchases have been made using your Ubisoft Wallet Balance
: we will refund you the Ubisoft Wallet Funds used to purchase said product, on your Ubisoft Wallet, unless otherwise required by applicable law.

This includes any transaction to credit funds to your Ubisoft Wallet and any transaction purchasing products on our stores using your Ubisoft Wallet Balance. We strongly advise you not to give personal or Account information, including your password, to anyone. Ubisoft processes your personal data in compliance with all applicable regulations regarding personal data and in particular the General Data Protection Regulation (EU) 2016/679 (GDPR), the California Consumer Privacy Act (CCPA) to allow you to use the Ubisoft Wallet.
