The diagram illustrates the state of three browser windows. Each window has a vertical bar at the top representing memory. Inside each bar, there are four colored boxes: blue, red, green, and yellow. The blue box contains the text 'SESSION'. The red box contains 'ID'. The green box contains 'IP'. The yellow box contains 'COOKIE'. In the first window, the 'SESSION' box is highlighted with a thick border. In the second window, the 'ID' box is highlighted. In the third window, the 'COOKIE' box is highlighted.
